### **Bantu Rehabilitasi Pasca Gempa Sulteng, DSLNG Hibahkan Rp 2 Miliar** *DSLNG Donate IDR 2 Billion to Support Central Sulawesi Post Earthquake Rehabilitation*

**Jakarta-**Untuk membantu rehabilitasi pasca bencana gempa, tsunami, dan likuefaksi yang menimpa wilayah Sulawesi Tengah, PT Donggi-Senoro LNG memberikan hibah donasi sebesar Rp 2 miliar kepada Pemerintah Provinsi Sulawesi Tengah.

Penyerahan secara simbolis sekaligus penandatanganan hibah donasi tersebut dilaksanakan Selasa (27/11), di Hotel Grand Sahid Jaya, Jakarta. Manajemen DSLNG yang diwakili oleh Direktur Urusan Korporasi Aditya Mandala menyerahkan hibah donasi kepada Gubernur Sulawesi Tengah Longki Djanggola.

Dalam pengantarnya, Direktur Urusan Korporasi DSLNG Aditya Mandala mengemukakan bahwa DSLNG sejak awal turut terlibat dalam penanganan bencana. "Begitu gempa terjadi kami langsung membentuk tim untuk diterjunkan ke lokasi dan membantu selama masa tanggap darurat dan

*Jakarta-To support rehabilitation post-earthquake, tsunami and liquefaction disasters that hit the Central Sulawesi region, PT Donggi-Senoro LNG granted a donation of Rp 2 billion to the Central Sulawesi Provincial Government.*

*The symbolic hand over and the signing ceremony of the donation grant were held on Tuesday (11/27), at Grand Sahid Jaya Hotel, Jakarta. The DSLNG management, represented by the Director of Corporate Affairs Aditya Mandala, presented the donation to the Governor of Central Sulawesi, Longki Djanggola.*

*In his remarks, DSLNG Corporate Affairs Director Aditya Mandala conveyed that DSLNG have been involved from the beginning to support the disasters' victim. "Once the earthquake happened we immediately formed a team to deploy to the location and help during the emergency response and transition. This*

transisi. Donasi ini adalah fase ketiga, yang kami harapkan dapat mendukung pemerintah di masa rehabilitasi, utamanya untuk pembangunan kembali fasilitas public,” ujar Aditya.

Selama masa tanggap darurat, tim DSLNG yang antara lain terdiri atas dokter, paramedik, dan relawan karyawan antara lain mendirikan posko tanggap darurat dengan mengoperasikan Puskesmas Sangurara di Palu Barat, memberikan layanan kesehatan kepada sekitar 1.500 warga Palu, Sigi, dan Donggala, yang terdampak bencana, termasuk yang berada di pelosok yang sulit dijangkau, memberikan vaksin anti tetanus kepada sekitar 300 petugas evakuasi dan jurnalis peliput bencana, serta menyalurkan bantuan logistik donasi karyawan DSLNG.

Dukungan berlanjut hingga di masa transisi dengan penyaluran bantuan peralatan sekolah bagi para siswa di sekolah-sekolah darurat, serta persiapan sumur bor dan fasilitas air bersih. Untuk penyediaan fasilitas air bersih, DSLNG bekerja sama dengan beberapa pihak, antara lain Badan Geologi Kementerian ESDM dan PT Elnusa. “Rencana ada 11 sumur bor yang akan dibuat,” ujar Aditya.

*donation is the third phase of our support, which we hope can assist the government in the rehabilitation period, especially for the reconstruction of public facilities, "Aditya said.*

*During the emergency response period, the DSLNG team, which included doctors, paramedics, and employee volunteers, among others, established an emergency response post by operating the Sangurara Community Health Center in West Palu, providing health services to around 1,500 residents of Palu, Sigi, and Donggala, including those in remote areas that are difficult to reach, giving anti-tetanus vaccines to around 300 evacuation officers and disaster reporting journalists, and distributing logistical donations from DSLNG employees.*

*Support continues until the transition period with the distribution of school equipment for students in temporary schools, as well as preparation of drill water wells and clean water facilities. To provide clean water facilities, DSLNG works with several parties, including the Geological Agency of the Ministry of Energy and Mineral Resources and PT Elnusa. "There are 11 drill wells planned*

Gubernur Sulawesi Tengah Longki Djanggola menyambut baik dukungan yang diberikan DSLNG kepada masyarakat Sulawesi Tengah. "Kami berterima kasih kepada DSLNG dan seluruh pihak yang telah membantu penanganan pasca gempa maupun pemulihan, masyarakat Sulteng sudah mulai bangkit. Kita sedang mengejar target penyelesaian huntara," ujar Longki.

*to be made," Aditya said.*

*Central Sulawesi Governor Longki Djanggola welcomed the support provided by DSLNG to the people of Central Sulawesi. "We thank DSLNG and all those who have helped with the post-earthquake handling and recovery, the Central Sulawesi community has started to recover. We are pursuing the completion of temporary settlement," Longki said. \*\*\**
